

2010 LeoVince Off-road Racer Application

LeoVince has proudly been racing and competing in the US since 2005 and has supported everyone from aspiring amateurs to hardened professionals. If you want to ride, and represent one of the hardest working and forward thinking companies in the US, then come ride for us. All of our exhausts are built to compete at 94dB and we've been at the forefront of competitive quiet technology long before our competition with over 10 years of championships at 94 dB. LeoVince USA is proud to offer a discount program on any X3 product for the 2010 Race Season. Program details are as follows:

- 'A' Bike Program: 35% off (1) LeoVince X3 Full Exhaust System
- 'A + B' Bike Program: 40% off (2) LeoVince X3 Full Exhaust Systems(if purchased at the same time)

Note: With either program you're also entitled to purchase spare parts or additional systems throughout the course of the season at 35% off. All discounts above are an implied percentage off of MSRP. LeoVince also stipulates that (2) X3 patches are run on rider gear and that X3 decals are run all season, and race reports/photos are submitted as frequently and often as possible to moto@leovinceusa.com.
